

Emotional Admiration

A rich man looked through his window and saw a poor man picking something from his dustbin. He said, thank God I' am not poor.

The poor man looked around and saw a naked man misbehaving on the street. He said, thank God I' am not mad.

The mad man looked ahead and saw an ambulance carrying a patient. He said, thank God I' am not sick.

Then a sick person in hospital saw a trolley talking a dead body to the mortuary. He said, thank God I' am not dead.

Only a dead person cannot thank God.

Why don't you thank God today for all your blessings and for the gift of life... for another beautiful day.
